PETITION CALLING LOCAL MPs TO SUPPORT IMMEDIATE ARMS EMBARGO ON ISRAEL

Israel is using British-made arms to commit genocide in Gaza. 135 cross-party parliamentarians have signed a letter* to the government demanding it immediately suspend export licenses for arms transfers to Israel. We the undersigned constituents ask you, our local MPs, to support this call for an immediate arms embargo on Israel.

This petition has been organised by the Resistance Kitchen, a community kitchen serving those in need in the Croydon area. As an organisation dedicated to fighting hunger and injustice, we cannot remain silent whilst our government arms a regime that weaponizes hunger to commit genocide against children.

Please reply to each of your constituents that has signed this petition, as well as us at info@resistancekitchen.uk. Thank you.
